Product Data Sheet

Standard Industrial Cotton Swab

758CH5000

Product Information

This absorbent cotton tipped applicator is produced with high quality USP grade cotton which is carded and coiled onsite to maintain consistency. It is bonded securely to a naturally biodegradable wooden handle with a hot-melt glue adhesive. An excellent choice when you are looking for an application/swab for cleaning sensitive components.

Applications

- General cleaning swab
- Cleaning cameras
- Cleaning situations requiring tear resistance
- Lint sensitive applications
