ACTIVARMR™

59-406

The prime choice for both thermal and flame protection

Previously known as: Ansell

Welding Cut | Medium Duty

Heat-resistant protective arm sleeves, delivering thermal protection and cut resistance

- **Improved comfort:** Composed of a soft blend of cotton and Dupont™ Kevlar™ , ActivArmr™ 59-406 protective sleeves provide wearers genuinely lightweight, breathable everyday comfort
- **Heightened defenses:** They also offer moderate thermal protection, notably against welders' torches, while providing greater cut resistance than denim or cotton alternatives
- **Enhanced features:** ActivArmr™ 59-406 protective arm sleeves also feature a 100% Kevlar™ knitwrist and thumbslot, for a secure fit and added palm and wrist protection
  CAUTION: The elastic band on this product may contain natural rubber latex which may cause allergic reactions in some individuals.

Industries

- Automotive
- Metal fabrication

Applications

- Welding, bonding, riveting
- Seizing structural and body parts
- Touching up
- Press shop operations
- Processing sheets, coils, tubes
- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Handling structural and body components
- Inspection, selecting, checking parts
- Inspection (picking, checking and marking)
- Cutting glasses, sheets, panels

ACTIVARMR™

59-406

The prime choice for both thermal and flame protection

Previously known as: Ansell

Key Features

- **Soft cotton and Kevlar™ blend:** Lightweight, breathable comfort
- **Heat-resistant design:** Moderate resistance, suitable for welding
- **Light cut protection:** Resists sheeting, pin-holding and metal spatter

Technologies

Kevlar®

Performance Standards & Regulatory Compliance

ANSI/ISEA 105-2024
