

FXF12 new & improved

Features

- New and improved design features a detached modular 2-in-1 wet/dry tip cleaner designed to reduce oxidation and corrosion, prolonging tip life
- Powerful bench top fume extraction system provides ultra-quiet and compact 2-stage filtration
- Proprietary rotating filter system draws fumes away from the operator and provides filtration 8 times better than a stationary filter
- Dual adjustment arm and head enables targeted fume removal
- Task lighting reduces glare and eyestrain
- Solder spool holder for easy access to solder of your choice
- Easy to maintain with quick and easy filter replacement
- ESD safe
- 90-day factory warranty (does not include filters)

NEW Modular 2-in-1 Tip Cleaner Features

- Detached tray allows the wet and dry tip cleaner to be placed at the convenience of the operator
- Low abrasive dry tip cleaner to reduce thermal shock
- Easy to store, compact modular tray uses less workbench space and comes with convenient storage bay to hold tips and small accessories

FXF12 Contents
