Fibre-Metal® Tigerhood™ Futura Thermoplastic Fixed Front Welding Helmet

- 4 1/2" X 5 1/4" lens offers an expanded field of view for greater visibility and productivity
- Fixed-front design maintains consistent protection and a clear viewing position during welding tasks
- Thermoplastic construction delivers lightweight durability and heat resistance in demanding welding environments
- Speedy loop suspension enables fast adjustment for a secure, comfortable fit
- 3C free-floating headgear balance and stabilize the visor while minimizing pressure points for all-day comfort
- Shade 10 lens provides dependable protection from welding arc glare for improved visibility and safety
