

GEARWRENCH FORGE AHEAD

Storage Products

GEARWRENCH GSX Tool Storage products are built for the day-to-day needs of professional users. Designed with durability, access and maximum storage capacity in mind, they provide superior tool storage solutions for the toughest work environments. GSX tool chests, cabinets, and tool carts are designed to optimize even the most advanced user's workspace and include features like a textured coated finish, integrated power strips, heavy-duty industrial casters, and aluminum drawer pulls. When paired with our full line of mechanics hand tools, GEARWRENCH GSX Tool Storage products cover the needs of every level of a professional user.

Tool Cabinets

Heavy Gauge Stainless Steel Worktop
Provides sturdy and reliable working surface

18 Gauge Steel Drawers
8 Drawers with 150 lb. capacity ball-bearing slides; 10 Drawers with 300 lb. capacity

Premium Drawer Foam Liners
For extra tool protection

Trigger Lock System and Double Aluminum Drawer Pulls
Allow smooth operation on opening and closing

16 Gauge Steel Body
For added strength and durability

Tubular Lock and Key
For added security of cabinet contents

One Privacy Drawer
With independent lock for extra security

Side Handle
For ease of transporting the heavy-duty cabinet

Full-Height Corner Bumpers
Protect cart and surroundings

Built-In Charging Station
With 6 outlets, 2 USB ports, and an on/off switch

Textured Coated Paint Finish
Provides increased resistance to corrosion, weather, and staining

Additional Set of Caster Nutplates
On either end in the middle for locker mounting

83248
72" 18 Drawer Rolling Tool Cabinet (Black Drawer Pull)

Heavy Duty 8" x 2" Spring Loaded Polyurethane Casters
With breaks and reinforced caster channels for greater mobility and strength. Each caster tested for weight capacity up to 1,200 lbs.

Available with Chrome Drawer Pulls (**83249**)
