

Industrial Deck Plate

#500 - #505

DRY AREA | ANTI-FATIGUE

Black&Yellow

Black

Gray

Long lasting ergonomic mat designed for work stations where oil and chemicals are used. Relieves stress on knee, foot and ankle joint pressure points resulting from long standing. Provides slip resistance to protect workers from slips and falls.

APPLICATIONS

Provides a heavy duty solution for dry areas - finishing stations, assembly stations, and work stations.

FEATURES:

- Vinyl Deck Plate surface fused to an industrial grade PVC foam backing offers comfort.
- Exclusive Fusion technology bonds the layers to reduce the possibility of product separation.
- Durable slip-resistant surface

MAT SIZES:

2'x3' 3'x5' 3'x12'

ROLL SIZES:

2' x 75' 3' x 75' 4' x 75'

75' rolls are manufactured to a tolerance of $\pm 1'$. Full rolls are not beveled on ends unless specified. Rolls with beveled ends are priced as custom cuts. Custom sizes can be made for larger applications in 2',3',4' widths

WARRANTY: Total Confidence
Prop 65 WARNING: 65003
