

Designed for fast and efficient dismantling of electrical and fiber cables, this ratcheting cable slitter is the perfect tool for slitting open round cables less than 0.98" (25 mm) in diameter. This cable slitter also features the following:

- Fixed jaws and ratcheting feature make it easy to grip and slit heavy-duty cables
- Slits and rings cable made of PVC, PE, rubber, and other jacket materials
- Replaceable double-ended blade has an adjustable cutting depth of 0 to 5 mm (0" to 0.20")
- Blade is made of steel plus ground and heat-treated for a razor-sharp edge and long term durability
- Swappable cable guides for electrical and fiber cables
- Perfect for mid span or end cable slitting and ringing

**Includes:** Ratcheting Cable Slitter, Electrical Cable Guide, Fiber Cable Guide, Hex Key, Carrying Case
