

7A-SA-SL

**Stainless Steel Anti-Magnetic
Precision Tweezers with Curved,
Fine and Strong 120 mm Tips**

PRODUCT DETAILS

- Lindström SL (service level) tweezers for use in production, assembly and field service kits
- Swiss quality at lower cost for applications that do not require the highest precision
- Anti-acid, anti-magnetic stainless steel same as our other tweezers
- ESD safe properties for use in sensitive environments
- Matt finish for reduction of glare in intensely lit environments
