

ADJUSTABLE-HEIGHT LARGE CAPACITY LCD TV STAND

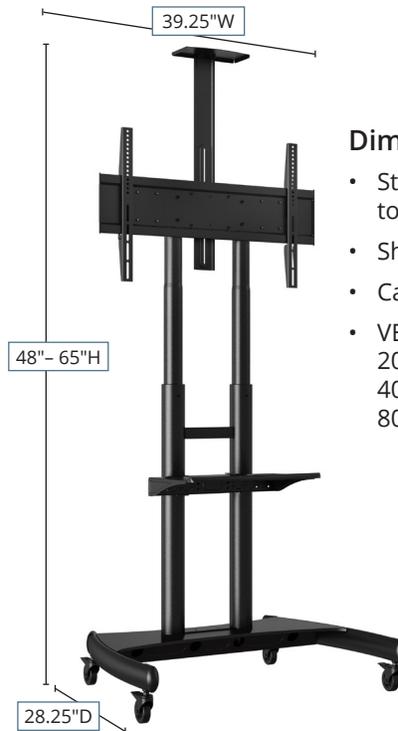

If you're using a large flat screen monitor, make sure you have a stand that's built for it. With this sturdy Luxor Adjustable-Height Large Capacity LCD TV Stand, you can confidently mount oversize televisions from 40" to 80" and up to 200 lbs. And with a mounting height that adjusts in 2" increments, it properly fits the display regardless of size.

Steel construction provides strong support and a cable management within the main column keeps unsightly cables hidden from view. A convenient accessory shelf holds up to 25 lbs., and four locking casters make it easy to relocate the stand or quickly secure it in place.

Features:

- Designed to hold 40" to 80" flat panel TVs
- Seamless pipes with powder coat painted finish
- Cable management through main column
- Four 3" casters, all with locking brakes, for easy maneuverability and stability
- Maximum weight capacity: 200 lbs.
- Accessory shelf holds up to 25 lbs.
