CLASSROOM CHART STAND WITH STORAGE BINS

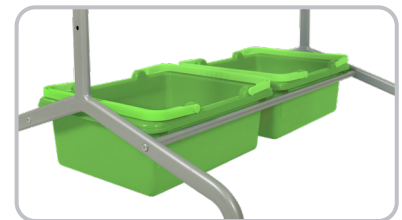

Luxor's Classroom Chart Stand is a multiuse teaching easel that aids classroom activities throughout the school day. Teachers can readily transition students from group activities and individual work to class instruction using the magnetic two-sided dry erase boards. Instructors may also use two metal clips to hold easel paper pads and pocket charts. The height adjusts to fit multiple grade levels and locking casters ensure smooth transport from one learning area to another. Two open storage totes with convenient handles provide a place for markers, books, and other classroom items. Enhance your learning environment with this classroom easel stand!

Dimensions:

- Frame: 31"W x 25"D x 53" - 69"H
- Tray: 31"W x 4"D
- Board: 30"W - 40"H
- Bin Inside: 10.25"W x 5"D x 12.75"H

Features:

- Double-sided magnetic whiteboard is well suited for group and individual activities, or a teacher's instructional board
- Two durable plastic open bins hold supplies while handles allow for easy toting
- Chart hooks display easel paper pads, pocket charts, and posters
- Painted steel surface resists ghosting and provides optimal erasability
- Take advantage of great mobility with four casters, two with locking brakes
- Marker ledge holds books and stores whiteboard materials
