

STUDENT DESKS

MBS-CHAIR

STACKABLE SCHOOL CHAIR WITH WHEELS AND STORAGE

Luxor's modern, functional student desk chair is a great addition to any classroom or home. Highlights include a clear, removable bin (a proven customer favorite in our Mobile Bin Storage Units) that provides a roomy place to store papers, pencils, and other small items. Four 2" casters (each with a locking brake) and a built-in grab handle make the chair easy to move across a variety of surfaces then stacked up to four high for space savings and easy storage. The school chair is also perfectly sized for young learners and - thanks to a sturdy plastic seat and all-metal frame - is easy to clean. And best of all, the MBS-CHAIR works perfectly with the MBS-DESK student desk.

Specifications:

- Overall Dimensions: 19.5" W x 19.75" D x 32.25" H
- Backrest Dimensions: 16" W x 16" H
- Seat Dimensions: 16.5" W x 17" D
- Product Weight: 17.75 lbs.
- Casters: 2" full-swivel (each with a locking brake that secures both the wheel and the swivel mechanism)

Features:

- Removable, clear 3"-deep MBS storage bin with a 20 lb. weight capacity
- Clear plastic bin lets you know contents at a glance
- Built-in safety feature prevents bin from accidentally being pulled off its track
- Smooth-rolling, lockable 2" casters for easy mobility
- Caster locks secure both the wheel and the swivel mechanism
- Stackable design for space savings and easy storage*
- Child-safe air vent on backrest keeps students cool
- Built-in grab handle
- Durable plastic construction is easy to clean
- Sturdy steel frame with white powder coat paint finish
- Easy, tool-free assembly

* Bins must be removed before stacking.
