INDUSTRIAL WORK CART WITH LOCKING CABINET

Tackle virtually any project with this versatile, feature-packed, sturdy tool cart from Luxor. To create an indispensable addition to any demanding commercial workplace, we took our best-selling, customer-tested XLC11-B Two-Shelf Heavy Duty Utility Cart and added a sturdy key lockable cabinet to keep tools and materials secure. For even more functionality, this commercial-grade trades cart offers a ladder holder, repositionable storage hooks to carry long items like pipe or 2x4's, a spool holder, two integrated pegboards, and a height-adjustable inner shelf.

Constructed from high-density polyethylene (HDPE) with steel-reinforced shelves, the tub cart can hold and transfer loads up to 500 lbs. Thanks to an ergonomic push handle and 5" full-swivel HD casters, it easily glides across a variety of floor surfaces. When you reach your destination, simply engage the two locking brakes to keep the cart stationary. Built to last and designed for versatility, it's ideal for a wide variety of daily tasks.
