Locks for Travel	Yes
Neck Size/Thread	24/410
Lid-Type	Hinge lid
Bottle Material	HDPE
Bottle Capacity	4 oz (118ml)
Bottle Color	Natural HDPE (Translucent White)

Pump Care:

Some types of fluids may leave a residue in the mechanism of the dispenser. Over time, this can reduce the performance of the pump. Occasional cleaning is recommended to maintain your unit to original efficiency.

Clean by flushing the mechanism thoroughly with warm soapy water. Flush the mechanism again with clean water to remove any soap residue. Do not boil or steam the dispenser. For long periods of inactivity, pumps should be flushed free of liquid and stored inverted in a dry place.

Specifications and procedures subject to change without notice. *Unless otherwise noted, tolerance is ±10%.*
