Rinse with ple	enty of water, r	emo	ve contaminat	ed clothing	and	l shoes. Inhalation: Remo	ove victim to fresh air.		
Give artificial respiration if not breathing. Get medical attention. Ingestion: DO NOT induce vomiting. Give									
large amount	s of water to d	rink.	Get medical a	ttention.					
	—Precautions f		afe Handling a	ınd Use					
Step to Be Taken in Case	Material is Released or Spill	ed	Contain spill	in natural fo	rm	or with sand or dirt (ine	rt material). Eliminate		
all ignition so	ources.								
Waste Disposal Method	Shovel or scr	ape (	(non-metallic)	absorbed w	ast	e materials into disposal	container. Seal lid		
tightly with tape or locking ring and label properly.									
Precautions to Be Taken in Handling and Storing  Keep away from heat, spark, and open flame. Use adequate ventilation. Ground									
and bond as	appropriate.								
Other Precautions	Store away fr	om s	sources of ign	ition, strong	ох	idizing agents and react	ive metals such		
as aluminium	n, zinc, and the	ir all	oys.
