

Polar Flux Remover

- Cleans heavy, aged flux
- Removes polar & ionic activators
- Fast, extra-strength cleaning
- Cleans & minimizes white residues
- High purity, dries residue-free
- Excellent silicone remover
- TriggerGrip™ cleaning system compatible

Product Information

Polar Flux Remover is an economical flux remover for cleaning aged and heavy baked-on fluxes. The residue-free formula works on R, RA, RMA, and No-Clean fluxes for both tin/lead solders and high temperature lead-free solders. It quickly penetrates and dissolves excess flux and removes ionic and non-ionic activators that cause white residues. It dries residue free.

This extra-strength flux remover cleans all types of flux, pastes, inks, finger prints, oxides, oils, and grease. It also effectively dissolves many adhesives and silicone fluids commonly found on electronic assemblies. Use Polar Flux Remover on printed circuit boards, FR-4, components, connectors, cables, and mechanical assemblies. Test before use on plastics.

Dispense directly from the can or use with the *MicroCare TriggerGrip* cleaning system for faster, safer, and more economical process of cleaning printed circuit boards at the work bench. This option cuts cleaning costs by reducing fluid use by 66%.

Technical Details and Cleaning Data	
Boiling Point	55 °C / 131 °F
Chemical Family	Organic Solvent
Cleaning Strength	72 (KB value)
Evaporation Rate	Slow
Odor	Acetone
Percent Volatile	100%
Specific Gravity	0.75 g / ml
Health, Safety and Environmental Data	
Flammable	Yes
RoHS & WEEE Compliant	Yes
REACH Compliant	Yes
VOC Content - Aerosol	184 g / L
VOC Content - Bulk	222 g / L
SNAP-Approved	Yes
GHS / HCS Pictogram	
Packaging	
Aerosol - 10 oz / 300 g	MCC-PFR10A
Minipail - 6 lb / 2.72 kg	MCC-PFRG
Pail - 32 lb / 14.5kg	MCC-PFRP
Drum - 330 lb / 149.7 kg	MCC-PFRD
TriggerGrip™ Compatible	Yes
Aerosol Packaging	12 cans / box
Shelf Life	Unlimited
Recycle	

AVAILABILITY: Stocked by MicroCare distributors world-wide. Contact MicroCare for a distributor near you. For more information contact MicroCare directly or visit www.MicroCare.com. Not all products and packages available in all regions and territories.
