Part Number: **0638852000**
Status: **Active**
Overview: Application Tooling
Description: Mini-Mac Applicator

Documents:

[RoHS Certificate of Compliance \(PDF\)](#)

General

| | |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Family | Application Tooling |
| Series | <u>207127</u> |
| Comments | The Molex Tape Applicator requires an industry standard crimp press with a 4way air like the Molex TM-3000: <u>638017200</u> , <u>638017300</u> , and the Molex TM-4000: <u>638017600</u> |
| Function | Crimp |
| Geographic Area | Global |
| Level of Automation | Automatic, Semi-Automatic |
| More Detailed Tech Information | <u>applicationtooling@molex.com</u> |
| Overview | <u>Application Tooling</u> |
| Product Name | Mini-Mac |
| Taxonomy | Applicators and Crimp Modules |
| Tool Type | Applicator |
| UPC | 822348756018 |
| Warranty Disclaimer | CAUTION: Molex tooling crimp specifications are valid only when used with Molex terminals and tooling manufactured by Molex and sold by Molex or authorized distributors ("Molex Tooling"). When using tooling other than Molex Tooling with Molex specific connector systems listed in our ATS documents, the Molex tooling qualification does not apply and the responsibility for full qualification of the connector system is that of the customer. Molex accepts no liability for connector performance or tooling support where tooling other than Molex Tooling is used or where Molex Tooling is modified. |
