

SKU: X2-C8-8L

TECHNICAL DATASHEET

C-System Static Mixer

Featuring the patented Xemex® technology.

The X2-C8-8L static mixer delivers high-performance adhesive mixing with enhanced application control.

Featuring an 8-element Xemex® insert and 8.7 mm internal diameter, this mixer provides consistent mixing for 2K materials while keeping adhesive waste to just 3.5 mL.

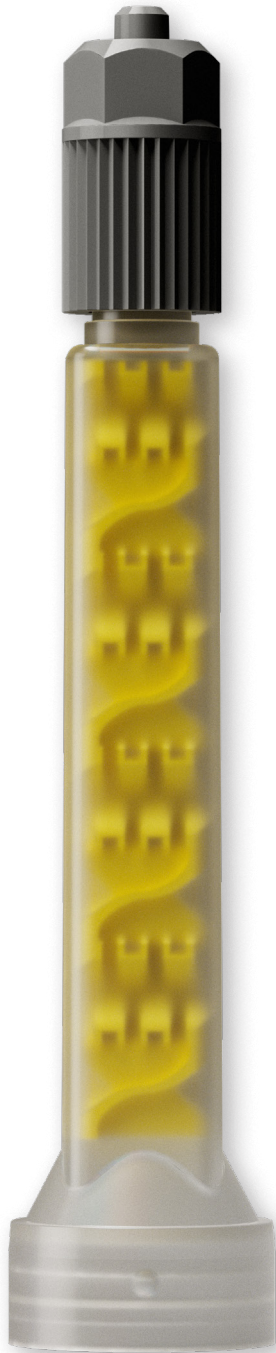

The straight bell connection ensures compatibility with C-System dispensers, and the luer-lock outlet offers secure, precise dispensing—making it a strong fit for teams seeking control, reliability, and reduced material loss.

BENEFITS

- Luer-lock outlet offers secure, accurate dispensing
- 8 Xemex® elements provide thorough 2K adhesive mixing
- 8.7 mm inner diameter negotiates backpressure with added material efficiency
- Bell connection fits standard C-System dispensers
- Low 3.5 mL retained volume cuts material waste
- Made in the USA for fast, consistent delivery

FEATURES

- Replaces 18 - 32 element mixers
- Compatible with: epoxies, methacrylates (MMA), urethanes, and silicones
