

PRODUCTION SUPPLIES THAT **WORK** AS HARD AS YOU DO.

Techni-PRO is **TestEquity's** private label brand that gives you more. More equipment. More supplies. More value. You already know us from Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. We formed Techni-PRO to strengthen our buying power and operational efficiencies.

And we're passing the savings to you.

Same day shipping

All orders ship same day so that you get what you need — fast.

Best value

Widest range of products competitively priced.

In stock now

Large selection of products available now.

Who chooses Techni-PRO?

Test lab

Factory assembly

Maintenance technicians

Electronic production

Engineers who design and test products. Managers who run labs and production sites. The technical professionals who demand the highest quality at the best price. The widest range of tools, equipment and supplies are now available under one private label: Techni-PRO.

More than just tools

We designed Techni-PRO as a full-service solution to your design, testing and production problems. Whether you're building one bench or streamlining a full production line, our product experts are at-the-ready.
