

CLEARVIEW OPTILITE

OPTILITE delivers bright, consistent task lighting for teams who need clear visibility across a wide work area. The large shade provides broad, even illumination, and can be positioned vertically, horizontally or laterally to suit different tasks. High CRI lighting delivers true color accuracy, and two brightness levels help you work comfortably for longer.

Key features

- Large adjustable shade for wide, even illumination
- Flexible positioning in vertical, horizontal and lateral directions
- High CRI 95 plus white light for accurate color and detail
- Two brightness levels to match different materials and tasks
- Available in white or black finishes
- 5 year guarantee

Applications

- Provides clear lighting across assembly and inspection benches
- Supports detailed workstation tasks that need accurate color and visibility
- Improves clarity for wiring, adjustments and general bench work
- Suitable for any workstation that benefits from wide, even illumination

ClearView includes a range of task lights designed to support everyday assembly, rework and inspection.

CLEARVIEW OPTILITE

5 Year Guarantee

Product Code

ClearView OPTILITE White	LUM002
ClearView OPTILITE Black	LUM003

Light output

Light Source	LED
Lumens	1 320 lm
Lux at 30 cm	4 000
Color Temperature	6 000 K
CRI	95 +
Energy Consumption	15 W

Product Information

Weight	2 kg
Color	White or Black
Cable Length	2.1 m
Max Clamp Opening	75 mm

Packaging Information

Height	36 cm
Width	74.2 cm
Depth	7.6 cm
Packed Weight	3 kg
