

We are champions for the standing worker. To us, they're athletes on the job. Just like professional athletes, industrial athletes can't reach their potential on a subpar field. These WEARWELL products represent our top performers in Flooring and Matting for both wet and dry environments. When it comes to health, safety and productivity, the surface matters!

### Flooring

#### REJUVENATOR®

The ultimate ergonomic safety solution for teams in dry areas!

These large 3' x 3' (91 x 91 cm) and 1' x 3' (30 x 91 cm) modular tiles interlock on all four sides to quickly customize virtually any flooring configuration on-site.

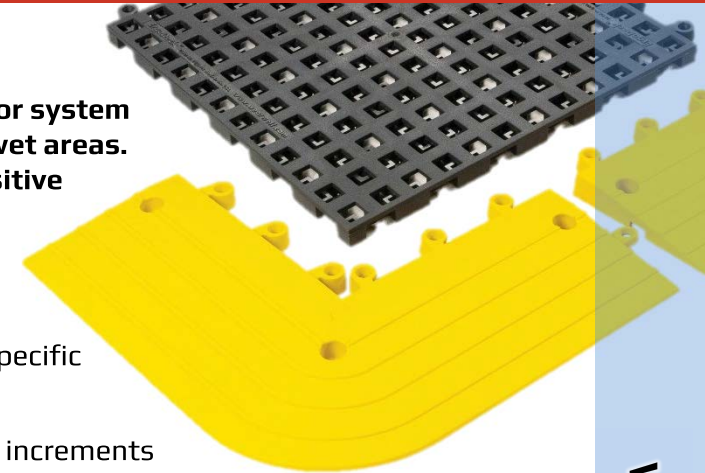

- Polyurethane construction delivers exceptional comfort and wear
- Interlock system prevents separation
- Virtually indestructible
- Available in square or dome pattern

#### ERGODECK®

This versatile, ergonomic floor system will withstand heavy use in wet areas. The patented LockSafe® Positive Interlocking System delivers secure connections.

Connect any combination of ErgoDeck styles to meet the specific demands of an area.

- Customize in 3" (7.62 cm) increments
- Ability to replace single tiles reduces costs
- 100% silicone-free PVC tiles
- Wide 6" (15 cm) ramps

### Matting

#### DIAMOND-PLATE SPONGECOTE®

A perfect combination of durability, ergonomics and comfort for standing workers in dry areas!

A Wearwell original, Diamond-Plate has become the matting industry's most popular surface design. However, it's what lies beneath that makes Wearwell mats outperform all others- Nitricell®. This premium nitrile rubber composite sponge is formulated for crush resistance and unmatched performance.

- Best in class performance
- Lay-flat, no-trip design
- Maximum standing area

#### 24/SEVEN® LOCKSAFE

Tired of modular mats that don't stay together? Say good bye to glue and zip-ties! Install it and forget it with our patent pending interlock system!

Available in a solid or drainage version. Use with or without edging, as individual mats or connect multiple tiles for a customized flooring solution.

Large 3' x 3' (91 x 91 cm) tiles install quickly and securely!

- Natural Rubber (GR) or Nitrile Rubber (NBR)
- Available with GRITSHIELD™ for improved traction
- Cut and connect in 12" (30 cm) increments for maximum customization
