

AN EASIER IDENTIFICATION PROCESS

WRAPTOR™ A6500

WRAP PRINTER APPLICATOR

Save steps. Move your productivity forward. Turn labor-intensive tasks into an automated process with the Wraptor A6500 Wrap Printer Applicator. This innovative print and apply machine eliminates hand labeling and wraps wires in less than five seconds. No wrinkles. No bubbling. Just a professional, high-quality ID.

With the Wraptor A6500 you get a variety of benefits, including:

Increased productivity

- Prints and applies labels to a wire in less than five seconds (12 times faster than hand applying)
- Eliminates the need to print labels in advance with zero-queue printing
- Reduces waste with ribbon-saving feature when compared to batch jobs where extra labels are thrown away

Enhanced quality

- Uses high-performance, self-laminating vinyl and nylon cloth materials
- Provides a tight wrap with minimal spiraling, bubbling or wrinkling
- Prints high-quality barcodes, logos and diagrams with the 300 dpi printhead
- Wraps bundles, wires and square jackets

Easy to use

- Includes a full-color responsive touchscreen and an icon-based user interface for ease of use
- Durable and reliable system reduces downtime

Easy to connect

- Enhanced connectivity, three USB ports and 32GB of internal memory to store commonly used job files

Easy label creation

- Use with all Brady Workstation Apps and Suites, including the Product and Wire Identification Suite for creating basic text labels or labels with graphics and custom formatting

Upgrade your current Wraptor™ A6500 Wrap Printer Applicator

Get an upgrade and get the latest enhancements, including:

- Completely new electronics with 32GB internal memory
- New 7 in. color touchscreen
- New front cover including adjustable display mount and front accessible USB port
- New back connector interface with USB and Ethernet ports
- New split side door to reduce the clearance required to open the door

This upgrade is not field installable and must be done at the factory.
