

# CT2388

## Digital Multimeter Probe

Individual color, miniature probe body w/spring-loaded tip

# Datasheet

### Description

Unique probe body featuring an extremely sharp 0.7 mm (.028") springs-loaded, stainless steel tip. Use on those small, delicate ICs and components. The probe is supplied with a clear, removable IC cap covering the tip.

Body accepts a 4 mm sheath (safety) banana plug test lead.

### Features:

- 600V CAT II rating
- Contact tip: Sharp Stainless Steel
- Clear, removable IC cap
- Miniature size body: 81 mm (3.2") length
- Black and red colors standard; others available as special order

Black and Red pair available as Model CT2665
