

Clampsticks and Universal Clampsticks

Clampsticks also known as “shotgun sticks” feature a high quality, foam filled, fiberglass reinforced plastic tube providing maximum insulation and mechanical strength. They are lightweight and easy to handle.

Clampsticks feature a fixed length shotgun with external operating rod and a capped end.

Part Numbers ending with a U replace the standard capped end with a universal ending at the base end of the stick (allowing universal adapter based tools to be connected).

Part Number	Dimensions (Dia. x Length)	Weight (Lbs.)
CPCS-8104	1.25" x 4'6"	4.5
CPCS-8104U*	1.25" x 4'6"	~ 5
CPCS-8106	1.25" x 6'6"	5.2
CPCS-8106U*	1.25" x 6'6"	~6

**Special order item with typical delivery of two to four weeks after receipt of order.*

CPCS-8106

CLOSEUP: CPCS-8106U*
Universal ending at base of the stick.
