

Comfort King

#440 / #445 / #450

DRY AREA | ANTI-FATIGUE

Comfort-King mats offer three times more bounce and premium comfort that stimulates productivity. Comfort King provides premium anti-fatigue relief and relieves stress on knees, feet, ankle joints and pressure points resulting from standing for long periods.

APPLICATIONS

Specifically designed for employee work stations to reduce fatigue from standing. Provides a balance of softness and support. Great for work stations, finishing assembly stations, cashier stations or pharmacies.

FEATURES

- Made with patented Zedlan Anti-fatigue PVC Foam
- Available with Anti-microbial additives to help prevent mold, mildew, and bacterial growth.
- Reduces fatigue for those working in a standing position by providing a balance of softness and support.
- Relieves stress on knee, foot and ankle joint pressure points resulting from standing for long periods of time.
