DAC-45451

All Temperature Silicone Mold Release

ALL TEMPERATURE SILICONE MOLD RELEASE was developed to provide you with the best mold release possible where plating or painting are not a concern or necessary.

DESCRIPTION:

All Temperature Silicone Mold Release works efficiently on both hot and cold molds. It is CFC free and free of chlorinated solvents. It contains no volatile organic chemicals (VOC's). All Temperature Silicone Mold Release imparts a smooth dry film.

PERFORMANCE CHARACTERISTICS:

- Solvent free, allowing this to be used on highly sensitive plastics
- Will not attack plastic or smear onto parts being molded
- Leaves you with a worry free finish
- Withstands temperatures up to 600°F
- Has a fogging tip to give you an even coat on molds

REMOVAL SPECIFICATIONS:

If build-up occurs, flush with DAC-103 Universal All Purpose Degreaser.
