” BEST-IN-CLASS LIGHTING SOLUTIONS ”

Trust Daylight, We are the best...

At the heart of Daylight is a simple idea.
We combine light quality, ergonomics and
design to create the perfect daylight lamp for your tasks.

Over 30 years we have created a range of lamps for artists, crafts
people, beauty professionals, electronics engineers and people with
sight loss.

Daylight technology will allow you to work with far greater color
accuracy, ease and comfort.

AT DAYLIGHT™, OUR 95+ CRI RATED PRODUCTS PROVIDE LIGHTING THAT IS CLOSEST TO NATURAL DAYLIGHT.

Embrace the importance of high Color Rendering Index (CRI) for true color accuracy and vibrant creations with Daylight Lamps.
