December 2, 2010

FOR IMMEDIATE RELEASE

On November 30, 2010 Desco Industries, Inc. (“Desco”) of Chino California purchased the assets of Illinois Tool Works’ electrostatic dissipation grounding coils, cords, straps and field test kit apparatus business (the “Business”). Desco will service and support the Business through its USA and UK operations.

Information about the products (the “Business”) purchased by Desco can be found at http://itwrichmond-technology.com/ESD_grounding_products.html.

Information about Desco can be found at <http://descoindustries.com/>.

The Business will be transferred to Desco’s stocking locations within the next few days.
