Product Images

Short Description

Eagle Safety Daub Can is constructed of galvanized steel with a red baked on powder coat finish. With a 1/2 pint capacity this can is designed for safer cleaning of small parts (B600D)

Description

Safety Daub Can (B600D) is constructed of galvanized steel with a red baked on powder coat finish. With a 1/2 pint capacity this can is designed for safer cleaning of small parts or swabbing of larger ones. Features a brass flame arrestor dasher screen and pump assemblies. When the dasher plate is pushed down, the safety can dispenses a small amount of liquid to easily moisten sponges or rags without messy or dangerous spills. FM approved and meet OSHA standards.
