

TECHNICAL DATA

Fluke C101 Hard Case

Key features

- Heavy-duty, portable hard-shell tool case
- O-ring sealed for waterproof protection
- Configurable diced-foam interior
- Maximum protection against high impact, vibration or shock

Product overview: Fluke C101 Hard Case

The Fluke C101 Hard Carrying Case offers a virtually indestructible and convenient way to carry your tools and accessories. Fluke cases are constructed out of heavy-duty plastics that's easy to clean and protects your tools from many types of conditions. The large case is made with tough polypropylene and includes a molded carrying handle and snap-on lid.

- Case measurements: 30.5 x 36 x 10.5 cm (12 x 14.2 x 4.1 in)

The interior of the case is filled with a diced foam so you can configure it to thoroughly protect your tools and accessories. The interior cavity is large enough to hold several different tools and accessories.

- Interior measurements: 23 x 29 x 6.5 cm (9 x 11.5 x 2.5 in)
