

Mini-Rooter Pro®

Clear Clogged Drains from Rooftop to Basement

Scan to see webpage

The Mini-Rooter Pro clears drains from rooftop to basement, including kitchen, bath, and laundry drains. And it's portable too: Built-in wheels make it easier for you to transport the Pro to and from the job, and the folding handle allows for compact storage in your truck.

This inexpensive, lightweight machine has lots of time-saving features. For instance, you can remove the drum

in seconds for more portability or to switch to a different diameter cable – with no mess and no lost time.

The drum easily carries up to 75 ft. of 3/8" cable to clear 2" to 3" lines, or 50 ft. of 1/2" cable for heavier work in 4" lines. For small drain work, you can order your Mini-Rooter Pro with a J-Drum for handling smaller, more flexible cables.

“ Our Mini-Rooter paid for itself a 1000 times over. And that's a conservative estimate! ”

Zachary Jurkowski, Montreal Contractor

J-Drum

With a J-Drum, you're ready for small drain work in seconds. Equipped with a Quick-Grip™ chuck with tightening handle. Will hold any Super-Vee cable.

Available for Mini-Rooter Pro and Mini-Rooter XP.

Catalog Number MR-250

Removable Drum

You can take the drum off in seconds to switch drums or lighten the machine for easier transport.

Key Features

- Clears inside drain lines from rooftop to basement.
- Drum removes in seconds for added portability.
- Built in 6" wheels for easy transport, and folding handle for compact storage.
- Flexicore® wire rope center cables have unequalled strength yet the right amount of flexibility.
