Free Freight

Within the Contiguous U. S.

All shipments for product totaling \$100.00 or more are sent via UPS Ground Service, FEDEX Ground Service or US Postal Service.

FREE Freight Within the Contiguous U. S.

All shipments for product totaling \$100.00 or more are sent via UPS Ground Service, FEDEX Ground Service or US Postal Service prepaid. All other forms of shipment requests will be at customer's expense. Orders of less than \$100.00, add \$9.99 for shipping. There are no handling charges. Some items may be considered oversized by shipping carriers. These items may require an additional oversized charge of \$10.50 per box. Ask a sales associate about this when placing your order. Products that are considered oversized, will have a truck icon next to its item#.

Buy Direct and Save Time & Money

Torrington Brush Works has been supplying quality brush products to industries since 1907. We consider it very important to send our customers the best possible product for a fair price. Our goal is to make all of our customers happy with our products and our service. We would like to hear from you, our customers, about how you feel regarding our products and service, and how you think we might improve those products and that service.

90 Day Limited Warranty

All products sold by Torrington Brush Works, Inc. ("Torrington") are warranted by Torrington to the original purchaser against defects in material and workmanship for the lifetime of the product. If any Torrington products are defective, you may return them and we will promptly replace them at no cost to you, or at our option, refund the full purchase price if returned within the 90 day limited warranty period.

If any of our products do not meet your requirements as the original purchaser, you may return them, shipping costs prepaid by you, and we will promptly refund the full purchase price.

These warranties do not apply to any products which have been damaged, altered, neglected, misused, or not properly maintained after delivery to the original purchaser. The purchaser's remedy against Torrington for breach of any obligation arising out of the sale of its products, whether derived from warranty or otherwise, shall be limited to replacement or refund, as specified herein. Torrington expressly disclaims any liability for any other damage or loss including, but not limited to, incidental or consequential damages.

* 01152 - Longer 2-1/2" Trim

NEW ITEMS!

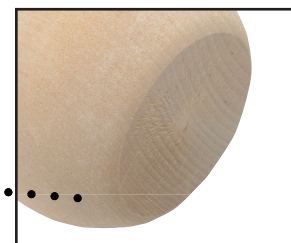

Short Handle Oval Brushes

Oval shape short handle brushes perfect for painting with any application. The handformed dome shape tops enables users to get into grooves and crevices with ease. The short round handle is coated with a wax finish to protect against liquids. It fits perfectly in your fingers like a pencil, providing you with a well balanced brush. Available in 2 trim sizes a shorter 2" and longer 2-1/2".

Touch Tone	Size	Diameter	Bristle Length	Price Each
01151	#10	1"	2"	\$12.25
01152	#10	1"	2-1/2"	\$12.65

- Handformed oval dome shape top.

- Top area of handle is flat to set the brush upside down.

Handcrafted Palm Wax Brushes

The most comfortable wax brushes on the market. Made with a very unique style plain wood palm handle, designed by Torrington Brush, which fits perfectly in the palm of your hand. Now furniture waxing can be done comfortably without your hands becoming tired. Perfect solution for people with arthritis. The top of the handle has a flat surface, so that you can set the brush upside down when not in use, avoiding a possible mess. The brushes are densely filled with higher grade white china bristle giving you the stiffness needed to apply wax. Bristle is set in a round nickel steel ferrule to prevent rusting. Try out this new palm design and we promise you will be hooked!

Touch Tone	Size	Diameter	Bristle Length	Price Each
01153	Medium	1-1/2"	1-5/8"	\$15.75
01154	Large	2"	2"	\$17.75

* 01153 - Medium Size Palm

* 01154 - Large Size Palm

NEW Torrington Palm Brush Design!

Short Handle Mini Style Paint Brush

Short mini handle style paint brush. Filled densely with a higher grade of 90% tops natural white hog bristle. Assembled using a stainless steel ferrule to prevent rusting and a wax coated wood handle to protect from liquids. The brush has a chisel trim top, which has first been handformed to protect the natural tips of the bristle in order to achieve the smoothest finish. The inside of the brush head has been specially constructed to create a larger pocket, which allows the brush to hold and release more paint, varnishes, enamels or stains effortlessly. This professional brush is handcrafted in the U.S.A

Touch Tone	Size	Thickness	Bristle Length	Price Each

01049	4"	7/8"	3 3/4"	\$19.99

Master Painters' Brush

An exceptional value! Full 1" thick hand made painting tool for the discriminating painting professional. Filled with the same top quality 100% pure black china bristle as the "Professional" shown above, and also hand constructed to the same exacting standards, with even longer bristle to carry more paint to the painting surface and increase ease of "cutting-in" around windows, in corners and other difficult areas. Set with solvent proof epoxy cement in a Brass/Nickel plated ferrule, hand assembled and nailed to a solid hardwood handle.

Handcrafted in our Sarasota, Fl. brush making facility.

Touch Tone	Size	Thickness	Bristle Length	Price Each
01123	3"	1"	3 1/2"	\$13.99
01124	3 1/2"	1"	3 3/4"	\$16.99
01125	4"	1"	4"	\$21.99

Master Painters' Brush

Our finest quality "top-of-the-line" hand constructed painting tool with even longer bristle-out. Designed specifically for the professional contract painter satisfied by only the very best tool available. The select china bristle used in this brush assures maximum paint carrying capacity while it enhances and eases paint flow from brush-to-job. Made to the same highest quality standards as all of the brush tools on this page. Set with solvent proof epoxy cement in a Stainless-Steel ferrule, hand assembled and nailed to a solid hardwood handle.

Handcrafted in our Sarasota, Fl. brush making facility.

100% Chemically Tapered Polyester Bristle

Skillful blending of the finest chemically tapered and tipped, polyester bristle and hardwood handles, assembled into professional quality painting tools that assure satisfaction and top quality performance. Recommended for use with both oil based and latex based paints. Polyester brushes give 3 to 5 times the life of ordinary brushes and surpass nylon bristle in producing a professional streak free application of paint. Carefully constructed to top quality standards by highly skilled international brush makers, the light weight polyester bristle is set in solvent proof epoxy cement with stainless steel ferrules.

Nice, Smooth
Application!

Tapered Polyester Wall Paint Brush

Hand made quality at an affordable price makes this professional synthetic paint brush a very special value. Filled with skillfully blended chemically tapered and tipped polyester bristle to carry maximum paint load to the job while assuring smooth application. Set in solvent proof epoxy cement in a stainless steel ferrule, assembled and nailed to a plain sanded hardwood beaver tail handle.

Touch Tone	Size	Thickness	Bristle Length	Price Each
02065	2"	9/16"	2 3/4"	\$5.99
02067	3"	1 1/16"	3"	\$8.29

Inside Wash or Bottle Brush

Fill material is staple set into holes drilled in an all plastic handle. Brush part is 6½" long x 3" in diameter, tapering down to 2¼" diameter. 100% stiff white nylon has excellent wearing qualities and holds water exceptionally well.

Touch Tone	Bristle Material	Over All Length	Price Each
14004	100% Nylon	15"	\$13.96

Free Freight
Within the Contiguous U. S.

All shipments for product totaling \$100.00 or more are sent UPS Ground Service, FEDEX Service or US Postal Service.

Vegetable Brush

Tampico fiber vegetable brush. Heavily filled, wood handle. Made in U.S.A.

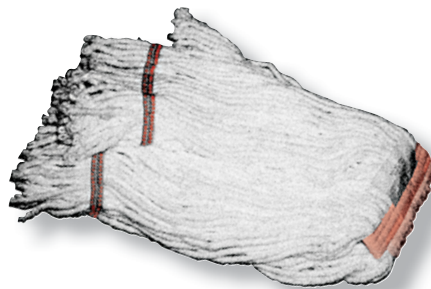

Touch Tone	Size of Brush Part	Over All Length	Price Each
14008	3½ x 3½"	8"	\$2.01

Nylon Impregnated Scrubber

This impregnated nylon pad can be used to clean floors, decks, fiberglass or metal prior to painting. It is more aggressive than a scrub brush and can be used in place of sand paper in many instances. Available in two grades.

Touch Tone	Size	Type	Price Each
15011	6 x 3 x 7/8"	Medium Duty	\$2.96
15012	6 x 3 x 7/8"	Heavy Duty	\$2.98

Closed Loop Mops

Made from a synthetic blend of rayon yarns that will soak up and hold large amounts of finish or water and made specially for use as a commercial duty cleaning mop or as a floor finish applicator. The closed loop construction results in 90% less linting and will last 3 times longer than a cut-end mop. Combine these mop heads with our heavy duty 09009 mop handle.

Touch Tone	Over All Weight	Length	Price Each
08006	20 oz.	17"	\$9.10
08007	24 oz.	19"	\$10.90

Wet Mop Handle

Superior galvanized steel construction to resist rust and corrosion caused by exposure to harsh cleaning chemicals and finish solvents, on a full 1½" diameter, splinter free hardwood handle. Gated release with wing nut clamping for quick and easy mop changes.

Touch Tone	Over All Length	Price Each
09009	60" Mop Handle	\$13.95

Please Note: This item is an oversized item. Reference oversized item charges on pg. 2

05189	7	1 3/4"	1"	\$2.77

Unaffected by Industrial Solvents

All plastic construction, including the ferrule, and staple set to securely hold the nylon bristle in place without the need for a setting compound, making this an ideal brush for use with most industrial solvents or coatings where bristle loss or contamination of applied coating material is of primary concern. An excellent disposable brush with a wide range of industrial applications.

Touch Tone	Size	Hair Length	Approx. Diameter	Price Each
05076	1	3/8"	1/16"	\$0.11
05077	2	7/16"	5/64"	\$0.13

Touch Tone	Bristle Material	Over All Length	Price Per Pack
05176	Soft Nylon	3 1/4"	\$5.99

Free Freight

Within the Contiguous U. S.

All shipments for product totaling \$100.00 or more are sent UPS Ground Service, FEDEX Ground Service or US Postal Service.

Dusting Brush

Thousands of uses. This handy little natural soft hair dusting brush is good for fine dusting applications in small areas or lens dusting. Each brush is individually bagged.

Touch Tone	Diameter	Over All Length	Trim	Price Each
05175	1 1/4"	4 1/2"	1"	\$0.72

Three Easy Ways To Order:

Laquering & Stroke Brushes

Flat and round style soft hair brushes used for lacquering, enameling, and touching-up. Excellent for delicate finishing and for applying industrial coatings. The soft hair flows the coating material evenly onto the surface, producing a smooth, streak-free finish. The hair is set in a special cement that is resistant to industrial solvents.

FINEST QUALITY!

Round Lacquering Brush

Finest quality brown camel hair, firmly set in seamless aluminum ferrules. Plain sanded hardwood handles. Smooth, even tapered point. Overall length approximately 8". Set in solvent resistant cement.

Pure Soft White Hog Bristle Round Stipple/Stencil Brushes

Well suited for working with stencil creams, waxes and paint. These brushes are different than our other stencil brushes on pg 33. Crafted using un-bleached pure natural white hog bristle, these stipple brushes provide a very soft and flexible feel you need when using for furniture, stenciling, wall paper decoration, stippling, applying "spatter painting" effects and even stenciling fabric. The brushes have a flat trim and are set in seamless nickel plated ferrule using a solvent resistant setting compound, which is double crimped to a sealed short, "peg" style hardwood handle.

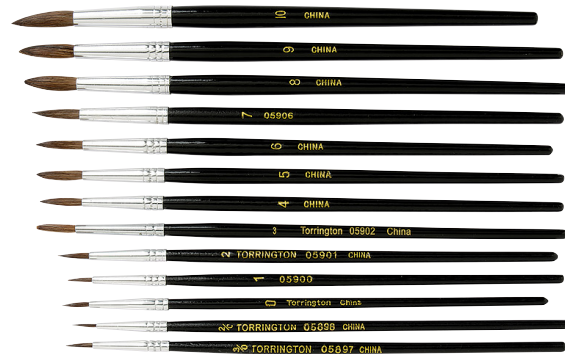

Touch Tone	Brush Size	Brush Diameter	Bristle Length	Over All Length	Price Each
01944	SMALL	¼"	7/16"	5"	\$2.10
01945	MEDIUM	½"	1-13/16"	5-3/4"	\$2.85
01946	LARGE	¾"	1"	6-1/8"	\$3.78
01947	XL	1"	1-3/8"	6-1/4"	\$4.95

FINE QUALITY!

White Fan Blender

Fine quality white bristle fan blending brush, firmly set in seamless nickel plated ferrules. Mahogany stained, wax finished hardwood artist handles. Excellent for "wet-on-wet" blending, highlighting and dry brushing effects.

Touch Tone	Size	Width	Hair Length	Over All Length	Price Each
05222	2	1¼"	5/8"	1"	\$2.51
05223	4	1¾"	¾"	1½"	\$3.02
05224	6	1¾"	1"	1¾"	\$3.69

EXTRA FINE QUALITY!

Water Color Brushes

Extra fine quality pony hair set in polished seamless aluminum ferrules. Very fine, sharp point with lively spring to brush. Artist style hardwood handles. Solvent resistant setting. Individual point protecting sleeve.

Touch Tone	Size	Approx. Diameter	Hair Length	Approx. Over All Length	Price Each

Three Easy Ways To Order:

Toll-Free: 1-800-262-7874 or 1-800-525-1416 Fax: 1-800-528-0109 Web: www.torringtonbrushes.com

Unique style faux finishing brushes in both a small round stencil and paddle handle style. These brushes are great for blending paints and providing an ultra smooth finish without streaks.

Paddle Handle Brush

A single thick, dome trimmed, short handled brush filled with fine white bristle, epoxy set in a stainless steel ferrule on a plain sanded short, hardwood handle. Excellent for creating faux finishes and blending of colors. Also can be used to dust or paint surfaces in closely confined spaces.

Touch Tone	Brush Width	Brush Thickness	Over All Length	Bristle Length	Price Each
01910	1"	¼"	4½"	1¼"	\$3.20
01911	1½"	¼"	4¾"	1¾"	\$3.75
01912	2"	¼"	5¼"	2¼"	\$4.64

Bleached White Hog Bristle Stencil Brush

These bleached white hog bristle stencil brushes are medium stiff and well suited for school or hobby use as well as using with stencil inks. These brushes have a flat trim and are set in seamless nickel plated ferrule, which has solvent resistant setting compound and is roll crimped to a short, plain sanded "peg" style hardwood handle.

Touch Tone	Brush Size	Brush Diameter	Over All Length	Price Each
01913	2	¾"	5¾"	\$1.49
01914	4	1"	5¾"	\$1.99
01915	6	1¼"	6"	\$2.39
01916	8	1½"	6"	\$3.19

Synthetic Red Sable Paddle Handle Brush

A single thick, flat taper trim or dome trim, short handled brush filled with fine synthetic red sable, epoxy set in a stainless steel ferrule on a plain sanded short, hardwood handle. Excellent for creating faux finishes and special effects, dry brushing and blending of colors. Also can be used to dust or paint surfaces in closely confined spaces. Synthetic red sable provides a great spring back action.

Touch Tone	Brush Width	Brush Thickness	Trim Style	Bristle Length	Price Each
01931	1"	¼"	Flat Chisel	1¼"	\$7.18
01932	2"	¼"	Flat Chisel	2¼"	\$11.34
01933	1"	¼"	Dome Trim	1¼"	\$8.22
01934	2"	¼"	Dome Trim	2¼"	\$12.38

Unique Paddle Handle Brush

A single thick uniquely trimmed, short handled brush, filled with fine white bristle, epoxy set in a stainless steel ferrule, on a short, sanded hardwood paddle handle. A excellent choice for creating faux finishing pieces, special effects, dry brushing or blending colors. Also can be used to dust or paint surfaces in closely confined spaces. Overall length ranging from 5" – 5¼".

Touch Tone	Brush Width	Brush Thickness	Trim Style	Bristle Length	Price Each
01918	2"	¼"	Flat Chisel	2¼"	\$5.72
01919	2"	¼"	Angle Wave	1¼" – 2"	\$6.76
01921	2"	¼"	Straight Wave	2"	\$6.76

These maximum duty cylinder or tube brushes have tightly twisted heavy gauge steel four-wire stems. Both hi-carbon and 302 stainless steel versions are of double stem, double spiral construction, hand laid to uniform, precise diameter, with an even distribution of bristle throughout the brush part for maximum heavy duty brushing and cleaning. Intended for machine use, please use a suitable holder and make sure the brush stem is fully chucked. **Note: Do Not Exceed The Maximum Safe Free Speed (M.S.F.S.) of 850 R.P.M.**

Gun Cleaning Rods for Rifle, Shotgun & Pistol

These are 2 Gun Cleaning Rod options for gun cleaning brushes. Item #20000 is a lower cost all steel construction rod, but can only be used with rifle and pistol cleaning brushes. It has 3 6-3/4" long extensions and 1 shorter 2-1/2" extension. You can configure this rod to the desired length. Item #20001 is a premium all steel cleaning rod that can be used with rifles, pistols and shotguns. It also comes with 2 attachments, one for a cleaning cloth and the other has a 5/16 female coupling for shotgun brushes. This rod has a comfortable solid steel red handle which spins as its pushed down the gun barrel. This function allows the gun brushes to follow the grooves inside the gun barrel naturally without causing any damaging. Both rods are great additions to have if you need to clean a gun and their steel construction ensures they will not bend or deform. **"MADE IN U.S.A"**

Touch Tone	Rod Material	Male Coupling	Female Coupling	Over All Length	Attachments	Fits Brushes	Price Each

Mandrels, Arbors & Small Wheel Adapters

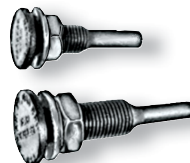

These mandrels, arbors and adapters are specially designed to work with our "COPPER CENTER" wire wheel brushes. They can also be used with abrasive cut-off wheels, grinding stones, buffs, etc. Designed for safe hi-speed operation, precision made in America from hi-tensile steels, featuring a variety of locking methods assuring quick change while maintaining a high degree of safety. Permits wheels and buffs to work close in to other places other designs can't reach. Plated and black oxide finishes.

Three Easy Ways To Order:

Cleaning Brushes for Heating, A/C, Pellet Stove & Dryer Ducts

These duct cleaning brushes were designed to serve the needs of the heating and air conditioning industries where it is often times necessary to clean and dust duct work that is in place. These brushes are made with a short brush part to facilitate passage through of-sets and elbows of up to 60° or more. Filled with materials stiff enough to dislodge dust and dirt, yet soft enough so as not to damage flexible aluminum ducting. A full line of adapters, "Tee" handles and extra flexible fiberglass rods are also offered. The inclusion of "pellet stove" brushes rounds out the range of duct diameters that can be accommodated. Also used to clean dryer and bathroom vents.

Notched Dual End Multi-purpose Cleaning Brush

Double ended plastic handle toothbrush. One end with a single row and other end with 3 rows. Each brush has a notch to provide a better cleaning angle. These brushes are perfect for any detail work, cleaning grooves, weapons, channels, parts and hard to reach areas. This brush is made right here in the U.S.A

Touch Tone	Material	Material Size	Brush Part	Width	Trim	Over All Length	Price Each
04894	White Nylon	.014"	1-3/4"	7/16"	7/16" - 3/16"	7"	\$3.53
04895	Brass	.006"	1-3/4"	7/16"	7/16" - 3/16"	7"	\$4.49
04896	Stainless Steel	.006"	1-3/4"	7/16"	7/16" - 3/16"	7"	\$4.17

Imported Double-Sided Plastic Handle Cleaning Brush

One side is three-rows by seven of .006" brass bristle, the other side is three-rows by seven of .006" nylon. Two sides means no need to look for that other brush. Brass side will remove tougher material, nylon for easier applications. Good import quality.

Touch Tone	Material	Material Size	Brush Part	Width	Trim	Over All Length	Price Each
04060	Brass/Nylon	.006"	1 1/2"	7/16"	1/2"	7 1/4"	\$1.07

Professional Quality

100% black horse hair bristles readily pick up light dirt and dust. Lacquered hardwood block with shaped, easy to grip handle.

Touch Tone	Over All Length	Brush Part	Bristle Trim	Price Each
04017	13 ¹ / ₄ "	8"	2 ¹ / ₄ "	\$8.98

Long Handled Bench Brush

This medium stiff fiber duster is extensively used in textile plants for cleaning around looms and knitting machines. Also used as a bench brush for general dusting in factories where an extra measure of reach is required.

Touch Tone	Over All Length	Brush Part	Bristle Trim	Price Each
04012	15 ¹ / ₄ "	4 ¹ / ₂ "	2 ¹ / ₈ "	\$10.74

Flagged Poly Bristle

Excellent brush for all types of dusting. Flagged poly bristle easily picks up light dust while providing excellent wear.

Touch Tone	Over All Length	Brush Part	Bristle Length	Price Each
04033	13 ³ / ₄ "	8"	2 ¹ / ₂ "	\$6.52

Wood Handled Bench Brush

An inexpensive dust brush for general use in factories, schools and offices. The brush head is well filled with black horsehair and plastic fill in the middle, which is treated to prevent curling and matting. Clear lacquered hardwood block with shaped, easy to grip handle.

Touch Tone	Over All Length	Brush Part	Bristle Trim	Price Each
04032	13"	8"	2 ¹ / ₄ "	\$8.26

Wood Handled Bench Brush

An inexpensive serviceable brush for rough use in factories and machine shops for cleaning up coarse dirt and oily chips on machines and benches. The stiff tampico fiber bristle is securely staple set into a wood block that is resistant to exposure to oils, cutting compounds and solvents.

Touch Tone	Over All Length	Brush Part	Bristle Trim	Price Each
04021	12 ³ / ₄ "	8"	2 ¹ / ₂ "	\$6.54

Heavy Duty Bench Brush

Mill type duster for hard usage around heavy equipment in machine shops, forge plants, foundries and factories where a sturdy brush is required. The stiff gray tampico fiber is securely staple set into a clear lacquered hardwood block.

Touch Tone	Over All Length	Brush Part	Bristle Trim	Price Each
04080	13 ¹ / ₂ "	9"	2 ¹ / ₂ "	\$6.86

Curved Handle Style

Four row curved handle platers have 4 x 19 rows of staple set fill material securely held in place by self-locking wire staples, forming a brush face measuring about 1" wide by 5-1/2" long. Traditional curved hardwood handles, 13" over all length, provide a firm and comfortable grip while working.

Touch Tone	Fill Material	Block Size	Brush Trim	Price Each
04001	White Tampico Fiber	1 1/4 x 13"	1"	\$4.04
04124	Black Nylon Bristle	1 1/8 x 13"	1"	\$4.60
04126	Black Hog Bristle	1 1/8 x 13"	1"	\$7.78
04046	.006 Brass Wire	1 1/8 x 13"	1"	\$6.98
04053	.006 Stainless Wire	1 1/8 x 13"	1"	\$7.47

Shoe Handle Style

Four row shoe handle platers have 4 x 15 rows of staple set fill material securely held in place by self-locking wire staples, forming a brush face measuring about 1" wide by 5" long. Form fitting hardwood shoe handles, 10" over all length and help concentrate hand pressure closer to the brush part while working.

Touch Tone	Fill Material	Block Size	Brush Trim	Price Each
04128	Black Nylon Bristle	1 x 10"	1"	\$4.99
04008	White Tampico Fiber	1 x 10"	1"	\$3.78
04143	.006 Brass Wire	1 1/8 x 10"	1"	\$6.29
04131	.006 Steel Wire	1 1/8 x 10"	1"	\$6.57
04136	.006 Stainless Wire	1 1/8 x 10"	1"	\$6.82

Shaped Handle Style

Six row platers have 6 x 17 rows of staple set fill material securely held in place by self-locking wire staples, forming a brush face measuring about 1-1/2" wide by 5-1/2" long. Form fitting hardwood handles, 12" over all length and are narrowed and comfortably shaped to fit the hand.

Touch Tone	Fill Material	Block Size	Brush Trim	Price Each
04125	White Tampico Fiber	1 3/4 x 12"	1"	\$5.74

Cotton Potash Swab

Heavily filled with four rows of 4-ply cotton yarn, hand stitched into a hardwood curved handle block, 6-1/2" swab length. 1-3/8" trim length of cotton yarn.

Touch Tone	Fill Material	Block Size	Brush Trim	Price Each
04135	4-Ply Cotton Yarn	1 1/8 x 13"	1 3/8"	\$11.20

These heavy duty American made steel scratch brushes are used extensively for hand brushing mold sand from castings and removing slag from welds. Also used for removing rust, scale and dirt from metal surfaces being prepared for various types of finishes. Very popular with painting professionals for cleaning and preparing surfaces for painting.

3 and 4 Row Wire Brushes

These curved handle wire scratch brushes are filled with .012" tempered wire and provide a stiff, aggressive brushing action under rigorous working conditions. Superior for rust or oxide removal from metal, or paint stripping or removal prior to repainting.

Touch Tone	Number of Rows	Handle Material	Brush Part	Trim	Over All Length	Price Each
04052	3 x 19	Wood	6"	1 ³ / ₁₆ "	14"	\$2.74
04088 Import	3 x 19	Wood	6"	1 ³ / ₁₆ "	14"	\$1.56
04054	4 x 19	Wood	6"	1 ³ / ₁₆ "	14"	\$3.16
04050 (Scraper)	3 x 19	Wood	6 ¹ / ₂ "	1 ³ / ₁₆ "	14"	\$3.65
04163	3 x 19	Plastic	6 ¹ / ₂ "	1 ³ / ₁₆ "	14"	\$3.42

Shoe Handle Wire Brushes

These shoe handle scratch brushes are filled with the same .012" tempered hi-carbon wire as the curved handle scratch brushes described above. Superior brushes for rust or oxide removal from metal, or paint stripping prior to repainting. Their comfortably shaped hardwood or plastic handles help concentrate hand pressure closer to the brush part.

Touch Tone	Number of Rows	Handle Material	Brush Part	Trim	Over All Length	Price Each
04028	4 x 15	Wood	5"	1 ³ / ₁₆ "	10"	\$3.11
04162	4 x 15	Plastic	5"	1 ³ / ₁₆ "	10"	\$3.29

Straight Back Wire Brushes

Old stand-by of professional painters everywhere, this straight back handled scratch brush is filled with .014" tempered wire. Excellent for rust removal or paint stripping and removal prior to new paint application. These top quality brushes seem to last forever.

Touch Tone	Number of Rows	Brush Part	Trim	Over All Length	Price Each
04027	6 x 19	5"	1 ⁵ / ₈ "	2 ¹ / ₂ x 7 ¹ / ₄ "	\$4.85

Stainless Steel Scratch Brushes

Shoe Handle Wire Brushes

Similar to the shoe handle brushes described above, these brushes are filled with .014" stainless steel wire for stiffer brushing action while adding the qualities of stainless steel to the mix.

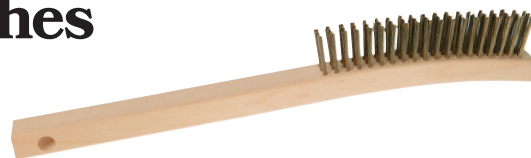

Touch Tone	Number of Rows	Handle Material	Brush Part	Trim	Over All Length	Price Each
04030	4 x 15	Wood	5"	1 ³ / ₁₆ "	10 ¹ / ₂ "	\$5.67
04165	4 x 15	Plastic	5"	1 ³ / ₁₆ "	10 ¹ / ₂ "	\$5.56

Curved Handle Wire Brushes

Similar to the 04052 brush described above, this brush is filled with .014" stainless steel wire for stiffer brushing action while adding the qualities of stainless steel to the mix.

Touch Tone	Number of Rows	Brush Part	Trim	Over All Length	Price Each
04047	3 x 15	6"	1 ³ / ₁₆ "	14"	\$5.21

**“You Asked and We Listened”
Finally A High Quality
Handcrafted Wax Brush That
Wont Let You Down!**

“Handcrafted In The U.S.A Large Round Wax Brushes”

These large wax brushes are a premium quality brush made right here in the USA all by hand. We only use the highest quality materials to craft these brushes. Each brush contains 100% all natural hog hair bristle, nickel plated steel ferrule to prevent from rusting and a solid hardwood handle. You have your choice between a long round sash wood handle or a clear coat varnished stencil handle. Since these brushes are manufactured all by hand from start to finish, we are able to ensure a consistent high quality product is made each and every time. Each brush is hand cleaned to minimize the amount of bristle loss so that you dont have to spend time picking hair off of your projects. They are a great brush to use with dark or clear waxes. If you are a furniture refinisher or a hobbyist, these brushes will become your best friend. You will not find a better quality wax brush anywhere for these prices. If you are interested in purchasing a large quantity of these brushes, please give us a call and we would be happy to discuss lower price options with you. If you are a reseller and are interested in private labeling, we can offer that as well depending on the quantity you want to order. These brushes can be used over and over again if they are cleaned and maintained properly. If you have any further questions about these brushes or any of our other products, please do not hesitate to contact us. Most importantly, we wanted to offer a high quality brush at a reasonable price that will get the job done .

Please Note: Due to a longer manufacturing process, these brushes may not be in stock at the time of your order. Ask a sales associate for approx. lead times.
