

Specification Sheet

Part Number: 181-00263

A temporary film is applied to the covers to protect against scratches and is writable for identification during installation.

Cover is flush with the side of the duct for increased wire capacity and allows for tight, side-by-side duct placement.

Covers are provided with a nonslip lining that ensures the covers remain in place during vibration, yet easily snap on and off.

Wiring Duct Cover for 2-1/2" Duct, 6 ft Long, PVC, White, 30ft/box

Article Number 181-00263
