

Specification Sheet

Part Number: TSRPBK-JB2

Junction boxes can be used for electrical or data outlets.

Rubber-based foam tape adhesive with high ultimate bond strength, which conforms to any surface.

Single Gang Junction Box, 2.0" Deep, PVC, Office Black, 1/bg

|                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

| Type                | TSRP-JB                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Color               | Black (BK)                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Quantity Per        | bag                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Product Description | Offered in a dual or single gang format, HellermannTyton's power-rated junction boxes are versatile enough for any network cabling application. Available in varying depths, these boxes are all equipped with concentric knockouts on all four sides for every TSRP size of raceway to eliminate routing and installation inconvenience. All junction boxes come with adhesive strips on the back of the base and #6 screws to secure the box to the base. |
| Short Description   | Single Gang Junction Box, 2.0" Deep, PVC, Office Black, 1/bg                                                                                                                                                                                                                                                                                                                                                                                                |
