

Specification Sheet

Part Number: RNGPP1U

1U RNG Series modular panel accepts 4 RNG Series cassettes and provides copper and fiber solutions in the same footprint. Designed for a quick-and-easy insertion.

Rack-Snaps make panel mounting simple

RNG Series RapidNet Modular Panel 1U, Black, 1/box

| Quantity Per        | box                                                                                                                                                                                                                                                                                                                                                                                                       |
| Product Description | The RapidNet 6 port Patch Panel accommodates 4 Category 6A UTP, Category 6, Category 5e or fiber cassettes. The panel offers dual labelling fields for each cassette and is supplied with Rack Snap fixings as standard. The RapidNet Cassettes simply push into the panel, snapping in with a push down clip. A fully loaded 1U panel presents 24 Category 6A UTP, Category 6 or Category 5e RJ45 ports. |
| Short Description   | RNG Series RapidNet Modular Panel 1U, Black, 1/box                                                                                                                                                                                                                                                                                                                                                        |
