GENNECT CROSS for Windows.

3554 Application

*Installing an older version of the USB Driver v1.5.0. for Windows 7 may yield operability. Please contact your Hioki subsidiary for the USB driver. Full operability is not guaranteed, and future updates of Win8/10 may suddenly render the driver unavailable or non-functioning. Technical support from HIOKI is not available. The driver is not downloadable from the Hioki website.
