

DEK

Printer Accessories

JNJ Industries offers a complete line of understencil wiping roll and squeegee products for most DEK stencil printers. All products are manufactured to the OEM's specifications and are available in both standard and custom. Our screw mount style standard squeegee holders are gold anodized aluminum and our lead-free are green anodized aluminum for easy identification. Holders are sold in two standard angles; 60° and 45°. Squeegee blade choices: premium, lead-free and economy metal blades and polyurethane blades. Metal blades have a standard 15mm overhang but are also available in a 6mm custom overhang upon request.
