

# EKRA

## Printer Accessories

JNJ Industries offers a complete line of understencil wiping roll and squeegee products for various EKRA stencil printers. All products are manufactured to the OEM's specifications and are available in both standard and custom. Our screw mount style standard squeegee holders are gold anodized aluminum and our lead-free are green anodized aluminum for easy identification. Squeegee blade choices: premium, lead-free and economy metal blades (with and without holes).
