

Fastest To Launch

AccuformNMC.com

The easiest, fastest way to order, and **IT SAVES YOU 2%.**

HOW IT WORKS

-  Log in
-  Build your custom project
-  Add to cart (price shown is reflective of distributor discount when logged in*)
-  Proceed to assisted checkout (fill in required fields, include PO #) and submit
-  Order goes straight into our system (automated)

 Orders and proofs are submitted and entered directly through your accuformnmc.com portal.

PROS

- ✓ Easiest, most streamlined option
- ✓ Fastest turnaround (no delays)
- ✓ No manual order entry = fewer errors
- ✓ Perfect for distributors already ordering online

CONSIDERATIONS

- ✗ Not embedded into distributor's website
- ✗ EDI Customers do not qualify for this option

Best for: Distributors who want speed & simplicity

Most Flexible

Microsite

A co-branded experience you can share.

HOW IT WORKS

-  We create a branded or co-branded subsite
-  You share the link with your customers
-  Customer builds custom project, sees MSRP & places order
-  You receive an email notification
-  You collect payment & send us PO and for reference

 Your PO is matched to the saved design—no need to recreate or reproof, so orders process faster.

PROS

- ✓ Co-branded experience
- ✓ Easy to share with end-users
- ✓ Customer does the design work upfront
- ✓ Makes PO process faster and easier
- ✓ Easy reordering on custom products

CONSIDERATIONS

- ✗ Not embedded to distributor website
- ✗ 2% Discount does not apply on Microsites

Best for: Distributors who want branding without IT work

Most Powerful

Website Integration

Fully embedded. Fully yours.

HOW IT WORKS

-  Builder is integrated into your website
-  Customer builds sign directly on your site
-  Customer receives an Art ID
-  You process order in your system
-  You send us a PO with the Art ID

 Your PO is matched to the saved design—no need to recreate or reproof, so orders process faster.

PROS

- ✓ Fully embedded in your website
- ✓ Seamless customer experience
- ✓ Customer does all the design work upfront
- ✓ Order + artwork already exist in our system

CONSIDERATIONS

- ✗ Requires integration / IT effort (complexity depends on system)
- ✗ 2% Discount does not apply on website integrations

Best for: Distributors with eCommerce strategy & dev resources
