

15 Gallon, Biohazard Waste Can Liner Bags, Pack of 100, Red - 05901

Product Images

Short Description

Key Benefits

- Specifically labeled for Biohazard material handling
- High Strength-to-density ratio of HDPE to avoid punctures and tearing
- Fits Justrite Biohazard Cans

Description

For safe, temporary collection of biological waste or contaminated materials. Red color is easily identifiable as biohazard bags. Printing includes English, Spanish and French translation along with the international recognizable biohazard symbol. 15 Gallon capacity bag fits Justrite Biohazard cans of 6 and 10 Gallon sizes. High density polyethylene of 11 microns thickness provides secure handling to avoid punctures and tears. A tubular construction with a single side seal and star seal bottom provide a stable, leak proof bag. Sold in packs of 100.
