

## B2900 Precision Instrument Family

Manage Files on any B2900 Family Precision Instrument Effortlessly from a PC Via a Simple USB Connection Using Windows Explorer

### Measurement results

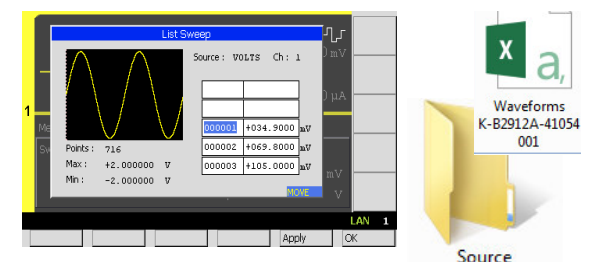

### Screen images

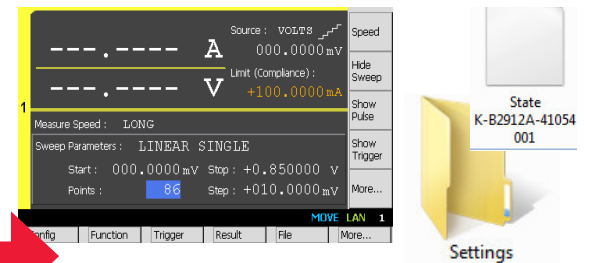

Easily save measurement results or screen images to your PC for report generation

### Waveform data

### Instrument state files

Easily load and save instrument states, output waveform data and user files

## How to Enable the Easy File Access Function

1. Open the USB Status dialog by a More... >> IO >> USB operation and enable the Easy File Access function

2. Reboot the B2900

3. Connect the B2900 to your PC using the furnished USB cable

4. Open Windows Explorer on your PC

- ✓ For the B2900A SMUs the Easy File Access function is available for firmware versions 3.0 or later, but a "SWS" license is also required to enable this function.
- ✓ If a USB stick is attached to the instrument then it can also be accessed using the Easy File Access function.

## B2900 Precision Instrument Family

The B2900 family contains products that perform both precision sourcing and precision measurement. [www.keysight.com/find/b2900a](http://www.keysight.com/find/b2900a)
