Software Terms, Types and KeysightCare Software Support Subscriptions

Keysight software licensing options provide flexibility and support.

Projects ramp up and down, teams grow and shrink, and projects move location. In such a dynamic environment, you need flexible licensing options that allow you to balance your project's requirements. Whether your software will be a staple for years to come or you have a short-term need for a leading-edge measurement application, Keysight's licensing puts you in charge.

Choose your term. Choose your type. Keep control of your budget.

- Select a node-locked, transportable, USB portable, or floating license type, depending on how much flexibility you need.
- Select a subscription or perpetual license term, depending on how long you need to use the software.
- Each license is sold with KeysightCare software support, which provides technical support with ensured response time, proactive software updates and enhancements.

KEYSIGHT

Choose a license term and type that best suits your requirements from the table below.

Table 1. License term

License term	Options
Perpetual	Licenses can be used indefinitely.
Subscription	Licenses can be used through the term of the subscription. Available between 3 and 36 months or with user-selected start and end dates.

Table 2. License type

License term	Descriptions
Node locked	License can be used on one specified instrument/computer.
Transportable	License can be used on one instrument/computer at a time but may be transferred to another using Keysight Software Manager (internet connection required).
