

CABLE CUTTERS

Through-hardened
(not case-hardened) for
longer-lasting cutting surfaces

FORGED STEEL

from Klein's US-made proprietary blend

Hot-riveted joint
ensures smooth action
and no handle wobble

Beveled jaw tips
provide proper mating and
shearing action, which
protects leading
jaw edges

CABLE & BOLT CUTTING

High-Leverage Cable Cutters

Includes core Cable Cutter features plus:

- High-leverage design for exceptional cutting capability
- Cut aluminum, copper and communications cable
- Cable-gripping shear-type jaws require 30% less force needed to cut as compared to Klein's 63050 model
- The compact, yet powerful, 63215 cutter cuts and removes aluminum metal clad (MC) cable jacket

Cable Cutters

Includes core Cable Cutter features plus:

- Precision, one-hand shearing action
- Cable-gripping shear-type jaws
- Perfect for working in confined spaces
- Jaw capacity of 1.06" (3 cm)
