# 15" AND 21" PRY BARS

---

Forged from carbon steel for long-lasting sharpness

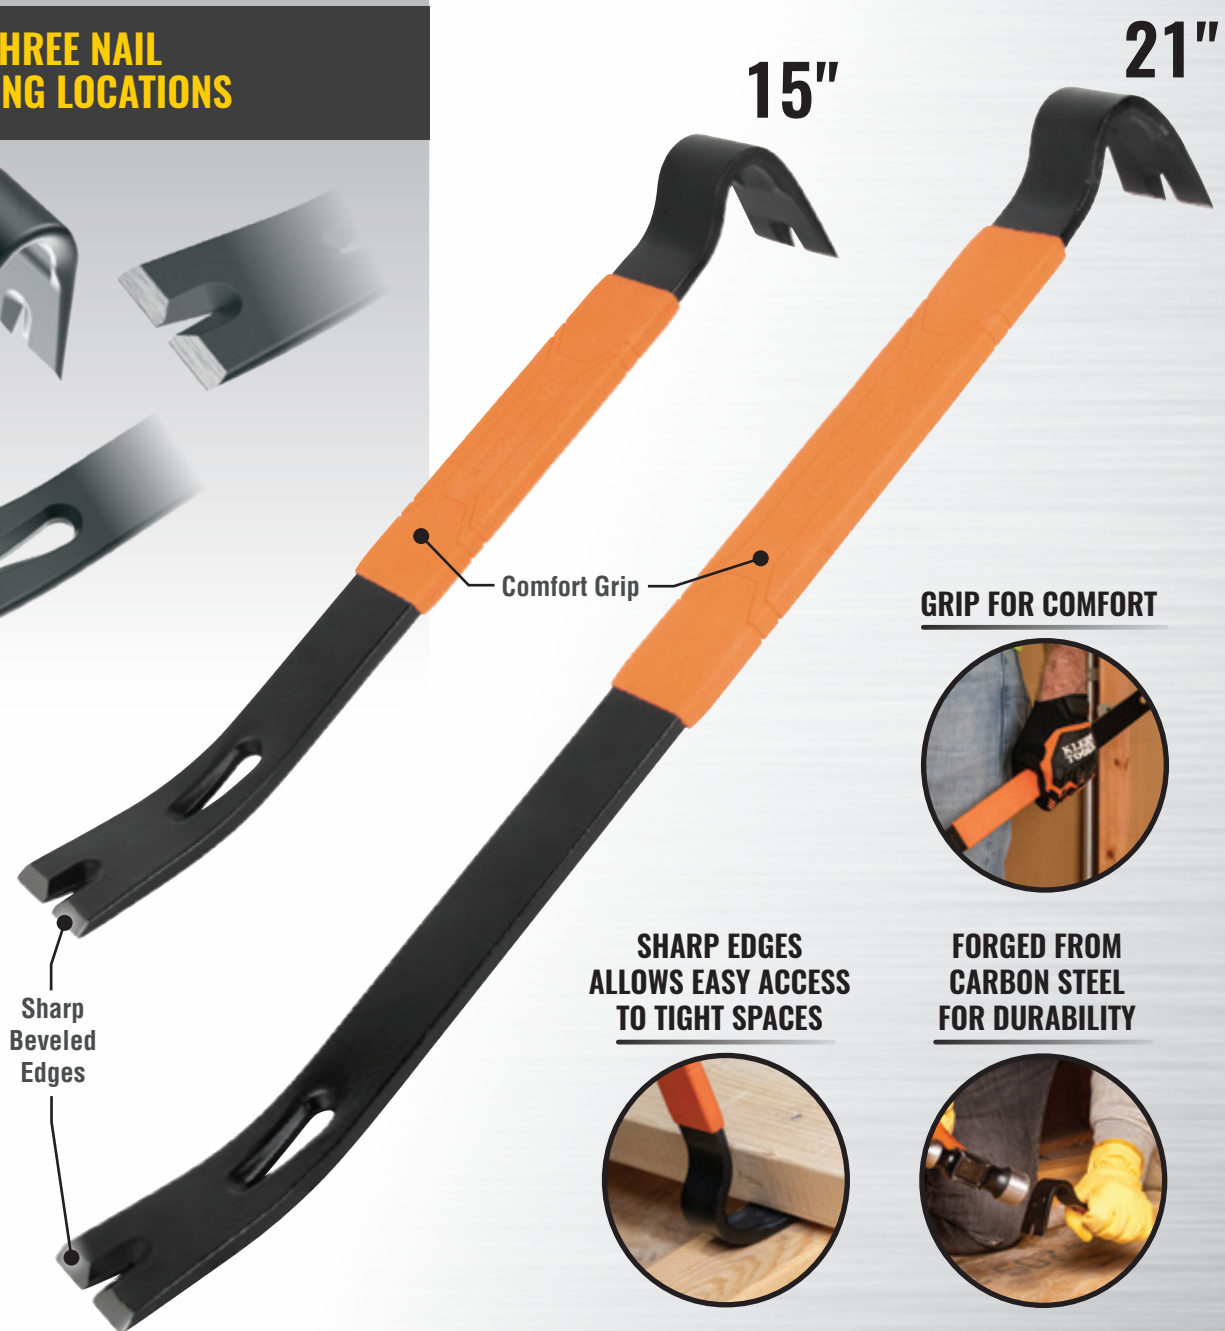

## 15" AND 21" PRY BARS

The Klein Tools 15" and 21" Pry Bars are forged from carbon steel with corrosion-resistant coating making them designed to withstand the toughest of jobsite conditions. The TPR grip provides added comfort by dampening vibration and offering slip-resistance. The sharp, beveled edges allow users better penetration to pry in tight spaces. These pry bars are hardened for long-lasting sharpness.

### THREE NAIL PULLING LOCATIONS

### GRIP FOR COMFORT

### SHARP EDGES ALLOWS EASY ACCESS TO TIGHT SPACES

### FORGED FROM CARBON STEEL FOR DURABILITY

For Professionals  
**SINCE 1857™**
