New! Klein Tools Wide-Beam Hard Hat Headlamp (#KHH56308)

Klein Tools Rechargeable Hard Hat Wide-Beam Headlamp [with modular battery] attaches directly to Klein® Hard Hats and Safety Helmets with Klein mounts. Providing up to 700 lumens of bright light and five user-selectable settings, this unique headlamp features a low-profile design with tilt-adjustment and easy mounting to the magnetic battery for use as a worklight – adding even more jobsite versatility.

Included pencil/pen holder keeps power cord out of the way.

- Attaches to all Klein Hard Hats (full-brim, cap-style, and safety helmets) with Klein mounts
- Low profile, wrap-around design for use in tight spaces; headlamp pivots for different lighting angles
- Wide-Beam mode for large-area coverage; Focus Beam for narrow coverage and while working near others
- Headlamp mounts to battery [with magnet on back], for use as a worklight
- Rechargeable Modular Battery (29025) can be swapped out with a second battery for extra run time
- Water resistant, dust resistant, and drop tested for professional jobsite use in a wide range of environments
