

LUMENATOR® MRO

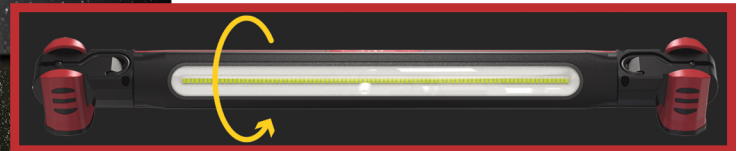

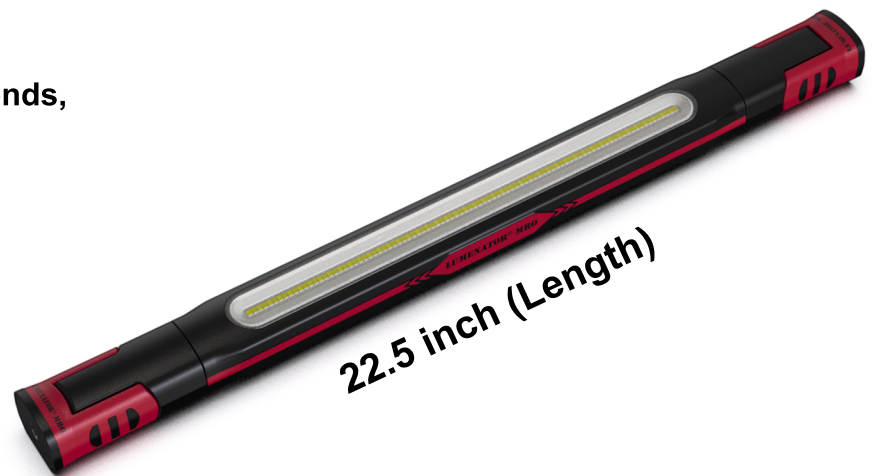

Rechargeable Work Light

Product No. MXN05600

LUMENATOR® MRO, the ultimate lighting solution designed for maximum versatility and performance. Its main light rotates 360° to provide perfect illumination from any angle. With an impressive 3000 lumens on full power, it offers up to 2 hours of intense lighting, or you can opt for 1500 lumens for 4 hours or 750 lumens for 8 hours to suit various lighting needs. Featuring two robust magnetic bases at both ends that rotate 180°, this light securely attaches to metal surfaces at any orientation, freeing your hands for any task. It also includes two retractable hooks for convenient hanging. The USB-C rechargeable battery fully charges in just 6.5 hours, and the IP65 / IK07 rating ensures durability and weather resistance for demanding environments. Compatible with the MaxxBar accessory (MXN10183).
