Worksurfaces

A worksurface is a key component to the success of your workstation. It is dictated by what you are doing in your work area everyday. Production Basics allows you to have flexibility with your work bench by offering stand-alone surface choices. This includes not only worksurface materials, but edge styles too.

For help with choosing a material, size and how to integrate your surfaces with your preferred style of work bench, contact a Workstation Specialist at Production Basics.

General Information - Worksurfaces

- Stock color for standard laminate worksurfaces is White. Stock color for ESD laminate is Grey.
- Other laminate colors available upon request at no additional charge are Grey and Beige standard laminate; Beige and White ESD laminate.
- Custom laminate colors are available at an additional charge. Call to discuss your options.
- Phenolic Resin worksurfaces are available in Black only.
- For “**Add-on**” item numbers, order your workstation style and the “**Add-on**” item number together.
- Unless noted, worksurface depth (D) is always specified first in dimension notation. Worksurface width (W) is specified second.

Special Orders/Custom Options

All items listed in this price list are standard. Any variation to these standard items, including frame or laminate color, must be special ordered. Please consult with us about your requirements. Returns of special order/custom products are not accepted.

Orders and Cancellations

All orders must be placed through a Production Basics authorized distributor. Verbal purchase orders are not accepted. Products ship knocked-down (KD) by truck. FOB Billerica, MA. Changes and cancellations may not be accepted after an order is placed with Production Basics. For assistance with your workstation choices prior to placing an order, call Production Basics or your authorized distributor.

Product Improvements

Production Basics reserves the right to change the details of design, material and finish in any way that will not reduce function or performance.

Discontinued Products

Product specifications featured in this Product Specifier are available at the time of printing. Production Basics reserves the right to discontinue products at any time for any reason.

Returns

NO MERCHANDISE WILL BE ACCEPTED FOR RETURN WITHOUT PRODUCTION BASICS' PRIOR APPROVAL. Return Merchandise Authorizations (RMA) must be requested by the customer within ten (10) days of receipt of merchandise. Returned goods must be sent freight prepaid within 30 days of the issuance of an RMA. Returns will be subject to a 25% restocking charge. RMAs are NOT issued for custom products.

Shortages and Damages

Upon receipt of product, check against bill of lading for correct number of pieces and inspect for obvious damage before signing delivery receipt. Shortages, errors and damage must be reported to Production Basics within 24 hours of receipt of merchandise. Any damage claims must be filed with carriers immediately upon receipt. Do not destroy packaging materials; they must be available for inspection by the carrier. Production Basics will cooperate with the purchaser on filed claims.

Warranty

This warranty covers any defect in material or workmanship in mechanical or structural parts given normal use and care. With the exceptions noted, this warranty lasts ten (10) years from the original date of purchase for all parts and components manufactured by Production Basics. Production Basics, Inc. will replace or repair the item without any cost for parts within the time frame noted from the original date of purchase: LED Bulbs- Warranty not covered by Production Basics. Contact bulb manufacturer within five (5) days of defect identification.

Easy Lift Series- One (1) year.

All other Products- Ten (10) years.

What is Not Covered

This warranty does not cover damage by misuse, accident, unauthorized repair or modification. Also, consequential and incidental damages (including but not limited to: lost profits, lost sales and injury to property) are not recoverable under this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty is the exclusive express warranty and any representations or promises inconsistent with, or in addition to, this warranty are unauthorized and shall not be binding on Production Basics, Inc. Finally, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN DURATION FOR A PERIOD OF TEN YEARS FROM THE DATE OF PURCHASE BY THE ORIGINAL CONSUMER. Some states do not allow limitations on how long an implied warranty lasts so the above limitation or exclusion may not apply to you.

Service

To obtain repair or replacement under this warranty, you must contact Production Basics, Inc., informing us of the defect.
