- E4 NSF Certified
- PCB Compatible
- Meets ANSI 20.20

What Makes Us Different

Since our beginning, we've been committed to formulating products that meet or exceed the standards set forth by cleanroom and sterile environments. From lotion to antistatic spray, we've protected cleanrooms for over 40 years and will continue to develop products that have maintained and improved cleanrooms into what they are today.

- ✓ In-House Manufacturing
- ✓ On-site Quality and Regulatory Department
