

## Safety Zone® Nitrile Exam Gloves, Powder-Free, 10x100, Blue, 4 mil - XL

The Safety Zone® Nitrile Powder Free Gloves are engineered for everyday protection, comfort, and performance across a variety of professional settings including clinical, food handling, cleaning, and general work environments. Made from durable 4 mil nitrile, these disposable gloves balance strength and flexibility while providing strong resistance to tears, punctures, and everyday wear. The powder-free, latex-free design minimizes contamination risk and reduces the chance of allergic reactions, making them suitable for sensitive applications. Tested to meet ASTM D6319 exam standards and compliant with FDA food contact regulations, they deliver trusted hygiene and dependable coverage where reliability matters most. The ambidextrous build allows easy donning and extended use, supporting efficient workflows in busy facilities and workplaces.

**\*\*Safety Zone® packaging is being updated to a new look. The gloves are the exact same, but our branding and packaging is being updated. Please note that this will be a rolling change and you may receive mixed packaging styles until our inventory is depleted.\*\***

### Key Features

- Nitrile Gloves are the perfect compromise between latex and vinyl
- Nitrile is made from an allergy safe compound that feels a lot like latex but it's much stronger and is more comfortable to wear
- Nitrile is perfect for demanding applications, especially cleaning and dishwashing
- Manufactured to examination-grade standards and tested to ASTM D6319 for use in medical, dental, and veterinary applications
- Not available for sale in Canada
