

Safety Zone® PolyLite® Spunbond Polypropylene Hood & Beard Cover, 17g, One Size, 1000/cs – White

The Safety Zone® PolyLite® Hood & Beard Cover is a lightweight, disposable protective cover designed to maintain hygiene in food processing, healthcare, laboratory, and manufacturing environments. Made from spunbond polypropylene, it offers comfortable all-day wear while helping prevent hair contamination. The one-size-fits-most design simplifies use and inventory, and the white color supports easy visual compliance. Ideal for high-volume operations, this hood and beard cover delivers reliable, cost-effective protection where cleanliness matters most.

Key Features

- Made of cool, comfortable and lightweight spunbond polypropylene
- The one-size-fits-most design simplifies use and inventory
- Suggested applications: hospitals, clinics, laboratories, food processing facilities and painting applications
