

Safety Zone® Nitrile Exam Gloves, Powder-Free, 10x100, Black, 5.5 mil - XXL

Safety Zone® black nitrile exam gloves deliver dependable protection and high performance for everything from cleaning and maintenance to tougher industrial jobs. These latex-free, powder-free gloves offer excellent resistance to punctures, tears, and chemicals, and their flexible nitrile construction provides a secure, comfortable fit that moves naturally with your hands for superior dexterity. A textured finish enhances grip even in wet or slippery conditions, helping you maintain control around spills, solvents, and lubricants. The sleek black color also helps conceal stains and dirt, keeping your work environment looking clean and professional.

****Safety Zone® packaging is being updated to a new look. The gloves are the exact same, but our branding and packaging is being updated. Please note that this will be a rolling change and you may receive mixed packaging styles until our inventory is depleted.****

Key Features

- Nitrile Gloves are the perfect compromise between latex and vinyl
- Nitrile is made from an allergy safe compound that feels a lot like latex but it's much stronger and is more comfortable to wear
- Nitrile is perfect for demanding applications, especially cleaning and dishwashing
- Not available for sale in Canada
